COVID-19 (Coronavirus) INFORMATION

Message from the Board of Directors of FMB Bank

Tuesday, March 17, 2020

FMB Bank is committed to the safety, security and health of our employees and customers. Due to the evolving concerns around COVID-19 and to do our part to “flatten the curve”, FMB Bank will close our BANK LOBBY, effective Wednesday morning March 18, 2020, until further notice.

Our **DRIVE THRU** will remain **OPEN** during regular business hours 8:00 a.m. to 5:00 p.m. Our night deposit services and ATM's will be available as normal. Please understand that your money is as safe and accessible as it has always been at FMB.

Our **ONLINE AND MOBILE BANKING** are available *24 hours a day, 7 days a week* and allow you to view transactions, make payments, transfer funds, deposit checks and more – anytime, anywhere. If you have any questions about registering for these services, please give us a call and we will walk you through the process.

If you need to access to your safe deposit box, please call us for access. In addition, if you are interested in applying for a loan or opening a deposit account, please contact us and we will be available to accommodate you. If you have loan closings scheduled, our loan officers will be available to accommodate you. Other than the fact that our lobby will be closed to the public, it will be business as usual.

FMB Bank has been serving this community for 110 years and we are dedicated the health of our customers, employees and this community as a whole. During this unprecedented period in time, know that we will be here to assist you and we will get through this *together*. Please stay safe and healthy and thank you for banking at FMB Bank.

Where others have their branches, we have our roots.
